## OUR HISTORY

Greater Mount Calvary Christian Preschool and Academy was founded by Bishop Donald L. Smith, D.D., Senior Pastor of Greater Mount Calvary Christian Church. Bishop Smith was given the vision tasked with bringing it to fruition by our Lord and Savior Jesus Christ. Having a school at Greater Mount Calvary was also the dream of Ms. Jennie Serepta Dean who was the founder of Mount Calvary Baptist Church.

## OUR MISSION

Our goal is to provide to provide a safe, loving Christian environment for all of God's children that will grant them the opportunity to grow and development spiritually, emotionally, socially, mentally and physically.

## COMMITMENT TO EXCELLENCE

We have a great staff of teachers, administration and personnel support that all possess a genuine love and passion for teaching and installing Christian standards that "train up a child in the way he should go". (Proverbs 22:6)

We are devoted to providing a safe haven that is free from the worries of drugs and violence that continually plaque our communities.

We know that love, nurture, Christian Conduct and behavior create an atmosphere that fosters growth and develop spiritually, socially, intellectually and physically.

We, at GMCCPA are committed to the excellence of creating well-rounded children who are well prepared for the future.

Visit us anytime as you are always welcomed and we thank you for your support.

## OUR CURRICULUM

We offer the finest in education, the ABEKA curriculum as well as sound biblical teachings. Each age group has carefully designed lesson plans for spiritual, social and academic development. We realize lessons a child learns during the early stages of life has more to do with forming their character than all that they may learn in the future years. Therefore, biblical principles and godly characteristics such as faith, virtue, knowledge, temperance, patience, kindness, godliness and love are not only encouraged but practiced.

## OUR PHILOSOPHY
