

**PROPHETIC WORD GIVEN AT LIVING WATERS ASSEMBLY OF GOD CHURCH
LAS CRUCES NEW MEXICO
FEBRUARY 10, 2006**

Reference the drawing: Band of Destiny for Southern New Mexico – Northern Mexico

On Wednesday and Thursday (Feb 8 & 9, 06), the Lord began to speak to me as I sought Him for the Class Doris and I were about to give in Las Cruces the following two days. I asked "Lord is there a prophetic word You'd have me bring to the people there. And as I was pressing in to hear Him, the Lord began to talk about destiny. He said; "I'm going to create a Band of Destiny down in that part of the state". He said; "the Band is going to be 60 miles north and 60 miles south of the state line between Texas and New Mexico."

I used some computer software that I have to create the image I saw in my spirit as the Lord was speaking to me. It's the illustration at the top of this page

The Lord began to show me and He said; "Within that Band of Destiny there will be pockets of transformation, but there will be a Band of Destiny".

There will be two ways the Band of Destiny will be manifested in the lives of individuals:

1. People who don't know the Lord and those who stopped growing in the Lord shortly after they got saved will begin to hunger for their destiny and to know what that destiny is. It will occur as God begins to pour out something like a mantle and it will rest over this part of the state and everywhere in the Band of Destiny. Even people who, at the present time, don't care about their destiny will begin to yearn to know what their

purpose is in life. God is going to begin to create a hunger in the unbeliever's heart. He's going to begin to deal with the people in this Band of Destiny in a specific way that will stir up hunger in them to know their destiny and to want to experience that destiny.

2. People who are serving the Lord, but are serving in ways far below their calling, will begin to search out and seek the Lord - desiring to come into the fullness of their own destiny. God will place a mantle over this Band of Destiny so that those who have never had boldness to speak destiny over another person or even take the initiative to speak destiny into others will perceive courage being birthed within themselves. This will be a sovereign work of the Holy Spirit upon those crying out for God to help them walk in their destiny. God will raise up a people who know His Voice and can hear what the Lord would say to them concerning their own destiny. The Lord is issuing a call now to His people to step into their destiny. He's saying to press in now - earnestly and passionately - to know Him, to know His Heart, and to know His Voice. Then He will use you to speak His destiny over those He sends you to and gives you divine appointments with.

The Lord also showed me that the central part of that Band of Destiny, in the Las Cruces, El Paso, Juarez area, would be like a hub from which God would send people throughout the rest of the Band of Destiny. They will travel over to the east side to the Carlsbad, Hobbs, Jal areas and down into Texas and Mexico. They will travel to the west to the Lordsburg and northern Mexico areas. The Lord will ignite a flame in His people within this hub and those to come into the hub, and they will carry that flame throughout the Band of Destiny. As they go, little embers will "spark" off the flame they carry and then little fires will get started so that in time, the whole Band will be impacted. Then from that Band will flow throughout the world, those people who have caught the flame and begun walking in their destiny. They will impact governments and people groups. They will cause change and bring down strongholds and expose the hiding places of satan.

There will be deep spiritual fellowship between believers of New Mexico, Texas, and Mexico within this Band. People from New Mexico will go into Texas and Mexico and stir up God's people to serve the Lord and will strengthen and encourage them in the Lord. And people from there will come into New Mexico and do the same here. And there will be this great strengthening taking place so that the Body of Christ within this band will be a mighty army of God doing great exploits. The Lord is calling you to be a prophetic people, going (wherever you go) prophetically. When you go to minister, ask of the Lord what He would tell you to speak prophetically to those He sends you to.

---Things the Lord showed me I didn't speak at the class---

He will use those mature believers living within this Band of Destiny to minister prophetically over others and to make declarations and decrees by the Spirit of God concerning their calling, and to bring deliverance to many. There will be a purity that unfolds in this Band that will drive out many works of the enemy that have resisted the work of God. Pockets of occult worship will be exposed and many, even leaders, will be delivered from its grip. Strongholds of hate and violence will be destroyed by the hand of God as He pours out the gift of repentance on this land, and there will be manifest evidences of the Sovereign move of God on behalf of this region.

And I saw the influence of those in the Band of Destiny moving as if the Band were expanding and advancing on Mexico City.
