

BUNDY BLURP!

PARKING LOT SAFETY

While driving on campus please drive slowly and safely; obeying all speed limit and parking signs.

Please remember there could be children and animals where they should not be, so it is up to all of us to be on alert while driving.

Also, please remember there is a car pool lane @ the upper playground gate that is for picking up and dropping off students only. Please do not park there or leave your vehicle unattended!

Thank you in advance for your cooperation and diligence.
