

## Attention BCCS Families

**Stay in the loop with quick, simple messages!**

Download the App and Join “Bundy Canyon Christian School Family”

**Remind: School Communication**  
by Remind 101 Stay connected

Technology never ceases to amaze us. We are excited to use a free tool to make school-related announcements and organizing easier and more convenient. We know that life gets hectic and things are hard to remember, therefore we would like to invite you to join our text reminder application that will allow us to periodically send out reminders via text.

Texts will include school announcements, updates, and events.

Available on the iPhone/iPad and Android App Stores
